## A Short Prayer

Lord, forgive us for the times when we get so busy doing what we feel is important that we fail to acknowledge that you are God over all. Help us to see You in the details of everything. As Your people, may we reflect You in all we do. Help us by Your Spirit to show You to a world in need of You. In Jesus name, we pray. Amen

Please send any specific prayer points to [aaron@gbni.co.uk](mailto:aaron@gbni.co.uk) and we will include them during our staff prayer times.

- Pray for the global Girls' Brigade family. Pray for all those who are currently meeting in the Cook Islands. Pray for unity, blessing, and encouragement for all.
- Pray for GB girls and leaders living in rural communities. Give thanks for the Farm Safety Resources produced by the GBNI Programme Team.
- Give thanks for God's provision for Girls' Brigade. Especially give thanks for partner churches, for leadership teams who oversee GB's ministry, and support their companies in prayer.
- Pray for GB leaders in the run-up to Annual Displays and Parents' evenings. Pray that preparations are stress-free and that all involved enjoy this special time.
- Pray for the GBNI Scripture Course for 2026/27. Give thanks for the guidance the Spiritual Team has received from God. Pray for the writers of the material that they know God's leading as they prepare the lessons.
- Pray for the GBNI Shop staff as they work hard to assist companies in the run-up to Displays. Bless them as they deal with the sharp increase in queries and orders. Give thanks for their enthusiasm, helpfulness, knowledge, and guidance.
- Pray for our GBNI President, Isobel McKane. Give thanks for her years of leadership and oversight. Bless her as she juggles the responsibilities of GB life as well as her career and family life.
- Pray for revival in our land. Pray that Bible engagement continues to grow amongst the young and for Girls' Brigade to be prepared and ready to receive hungry hearts searching for Jesus.
- Pray for the unseen and unheard issues that many are hiding right now. Pray for those who are struggling in silence with painful issues. Pray for strength in the difficult moments and courage to speak out to our sisters in GB.
