- Pray for our new National Secretary, Caroline Hawthorne, as she begins this role within the organisation. Pray for blessing and peace, for an easy and speedy process of getting used to how we work, and confidence to implement her ideas and plans to drive the organisation forward.
- Pray for our new GBNI President, Heather Lindsay. Pray for wisdom and confidence as she represents our great organisation. Bless her as she pastorally cares for members and shares words of encouragement with all.
- Pray for all our Chaplains. This period is often very busy as organisations and special services take up much of their time. Pray for strength and energy, and for congregations to notice when the demands of the role are wearing on them.
- Pray for enrolment services taking place across the province over the next few weeks. Give thanks for the wonderful opportunity they are to minister to families and loved ones who may not otherwise come to church. Pray for this important opportunity to share the Gospel.
- Pray for safety for all travelling to and from GB. As the nights get darker, our church car parks become more hazardous for everyone. Pray that all will be safe and sensible in how they navigate this.
- Pray for the sporting district competitions as they take place. Pray for safety and that all girls will enjoy the competitions and give them their best efforts.
- Pray for the GBNI Brigade Council as they meet with Caroline for the first time. Pray that this will be a time of reflection and encouragement as they seek and explore ways to guide GBNI forward.
- Pray for leaders who may be experiencing a tough time right now. An organisation the size of GB will inevitably have those who are struggling with their mental health. Pray for open eyes and hearts to the needs of our sisters. Pray for real words of council, and wisdom to know when to say nothing.
- Give thanks for the light that shines from Jesus. Give thanks and rejoice that we do not celebrate the darkness, but instead are called to be children of the light. Pray, especially at this time of year, that we will shine for Jesus in the dark.

Read Isaiah 60:1-2

A Short Prayer

Gracious Father, we stand amazed in Your presence, and claim the victory that You have won over the darkness. Thank You for loving us so much, that You are not content to leave us in the dark. Instead, You shine the glory of Your light upon us. Thank You Lord. May we shine for You. May all we do shine forth the great light that is from Heaven. May we be a foretaste of the eternal light we will enjoy in You. In the light of Christ, we pray. Amen
